## 2022 Barn of the Year Nomination General Information

Every year, the **Michigan Barn Preservation Network (MBPN)** acts to honor those who make the extra effort to maintain their historic barn with integrity. It also recognizes that barns must adapt in order to survive, so it seeks as well to honor those who have modified their barns in a sensitive, creative manner to accommodate an alternative use. It also recognizes that a corporation may have more resources on hand with which to do the work than an individual farmer. To reflect these variables, the MBPN has developed the following award categories:

- Continuing Agricultural Use
  - Family (Private), Non-Profit or Commercial
- Adapted to Other Uses
  - Family (Private), Non-Profit or Commercial

The **Michigan Barn Preservation Network (MBPN)** invites you to submit your nomination for a “**Barn of the Year**” designation in one of the categories listed above. A nominated barn can, but need not be owned by the applicant. The application may be completed by the property owner, a contractor, a neighbor or relative, or anyone else who has a specific interest in the barn being nominated and who has the property owner’s permission to do so. Barns nominated in previous years may be nominated again.

In order to qualify, a barn must retain its integrity as a barn, regardless of its current use. Barns will be judged for (1) completeness of information presented in this application, (2) sensitivity and integrity of repairs or modification, (3) visual appeal, (4) creativity, (5) thoroughness of work, and (6) amount of effort expended to repair and maintain the barn. Those nominations selected for an award will be recognized in the Spring of 2022.

A completed application must include these parts:

- (I) Nomination Form (attached)
- (II) Written Narrative
- (III) Photos
- (IV) Michigan Barn & Farmstead Inventory (attached)

**See next page for complete requirements for each section of the application.**

*In order to be considered, nominations must be emailed or postmarked by January 31, 2022.*
