Dear Contractor and Friend of the MBPN:

The Michigan Barn Preservation Network (MBPN) has been active in barn preservation, rehabilitation, and appreciation for over 25 years. During that time, the MBPN has sought out people in the various trades and professions who can help barn owners preserve and rehabilitate their barns. [This listing of barn "contractors and consultants"](#) is maintained on the MBPN website -- www.mibarn.net -- and is available to the public. The MBPN collects and makes this information available, free of charge, as a service to barn owners, and does not endorse or recommend anyone.

We invite you to renew your membership or join the Michigan Barn Preservation Network. A [contractor membership renewal/application form](#) is enclosed for your convenience. **If the contractor membership is not right for you this year, please consider a regular membership.**

Benefits of "Contractor" MBPN memberships are:

- MBPN membership
- Your current information on the MBPN website (once check is received)
- All issues of the MBPN Newsletter and annual Barn Calendar
- Two votes at the MBPN annual business meeting
- Two registrations at the member rate for the Annual Conference
- Invitation for free exhibit space at the Annual Conference (Advance registration required)

The **Michigan Barn Preservation Network** continues to see success with more barns being saved through preservation and rehabilitation efforts. Your membership and donations have enabled MBPN to remain strong, active and successful in raising the general awareness of the importance of barn preservation in Michigan.

Please contact me at stephenstier@gmail.com or 517-648-2933 with any questions or comments. We welcome your participation!

Sincerely,
